PROFIT WARNING

This announcement is made in accordance with Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of YGM Trading Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to inform the shareholders and potential investors of the Company that the Company is expected to record a consolidated loss attributable to shareholders for the year ended 31 March 2025 (“**FY2025**”) of not more than HK\$25 million, representing a significant increase as compared to the loss attributable to the shareholders of approximately HK\$5.1 million recorded for the year ended 31 March 2024. The Board is of the view that such increase in the expected loss for FY2025 was mainly due to (1) the declining inbound spending trends among Chinese tourists visiting Hong Kong alongside continued economic weakness and low consumer sentiment in both Hong Kong and Mainland China; (2) the impairment loss on certain intangible assets; and (3) the increase in fair value loss on certain investment properties.

The information contained in this announcement is solely based on the information currently available to and the preliminary review by the Group’s management of the unaudited sales and other financial information of the Group for FY2025, which are subject to finalisation and necessary adjustments and have not yet been audited, confirmed or reviewed by the Company’s independent auditor or its audit committee. Therefore, the actual consolidated results of the Group for FY2025, which are expected to be released by the end of June 2025, may differ from the information contained in this announcement. Shareholders and potential investors of the Company are therefore advised to peruse the results with care when the results announcement is released.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
